

Art Progression

Threshold Concept Key Skills	Milestone EYFS	Milestone 1 Years 1 and 2	Milestone 2 Years 3 and 4	Milestone 3 Years 5 and 6
<p>Develop Ideas This concept involves understanding how ideas develop through an artistic process</p>	<ul style="list-style-type: none"> Explore, use and refine a variety of artistic effects to express their ideas and feelings. Return to and build on their previous learning, refining ideas and developing their ability to represent them. Create collaboratively sharing ideas, resources and skills. As an artist: <ul style="list-style-type: none"> Can I capture experiences with paint and other materials? Can I represent my own ideas, thoughts and feelings through art? 	<ul style="list-style-type: none"> Respond to ideas and starting points. Explore ideas and collect visual information. Explore different methods and materials as ideas develop As an artist: <ul style="list-style-type: none"> Can I explore ideas and pictures? Can I try some different methods and materials? Can I explore different methods and materials as ideas develop? 	<ul style="list-style-type: none"> Develop ideas from starting points throughout the curriculum. Collect information, sketches and resources. Adapt and refine ideas as they progress. Explore ideas in a variety of ways. Comment on artworks using visual language. 	<ul style="list-style-type: none"> Develop and imaginatively extend ideas from starting points throughout the curriculum. Collect information, sketches and resources and present ideas imaginatively in a sketchbook. Use the qualities of materials to enhance ideas. Spot the potential in unexpected results as work progresses. Comment on artworks with a fluent grasp of visual language.
<p>Master techniques This concept involves developing a skill set so that ideas may be communicated.</p>	<ul style="list-style-type: none"> Safely use and explore a variety of tools and techniques, experimenting with colour, design, texture, form, and function. Use what they have learnt about media and materials in original ways. As an artist: <ul style="list-style-type: none"> Can I understand that they can use lines to enclose a space, and then begin to use these shapes to represent objects? Do I realise that tools can be used for a purpose? Can I explore colour and how colour can be changed? Am I beginning to be interested in and describe the texture of things? Can I safely use and explore a variety of materials, tools and techniques? Can I explore what happens when I mix colours? Can I manipulate materials to achieve a planned effect? Can I construct with a purpose in mind using a variety of resources? Can I experiment to create different textures? Do I understand that different media can be combined to create new effects? Can I use what I have learnt about media and materials in original ways? 	<p>Painting</p> <ul style="list-style-type: none"> Use thick and thin brushes. Mix primary colours to make secondary. Add white to colours to make tints and black to colours to make tones. Create colour wheels. <p>Collage</p> <ul style="list-style-type: none"> Use a combination of materials that are cut, torn and glued. Sort and arrange materials. Mix materials to create texture <p>Sculpture</p> <ul style="list-style-type: none"> Use a combination of shapes. Include lines and texture. Use rolled up paper, straws, paper, card and clay as materials. Use techniques such as rolling, cutting, moulding and carving. <p>Drawing</p> <ul style="list-style-type: none"> Draw line of different sizes and thickness. Colour neatly following the lines. Show pattern and texture by adding dots and lines. Show different tones by using coloured pencils. <p>Print</p> <ul style="list-style-type: none"> Use repeating or overlapping shapes. Mimic print from the environment (e.g. wallpapers). Use objects to create prints (e.g. fruit, vegetables or sponges). Press, roll, rub and stamp to make prints. <p>Textiles</p> <ul style="list-style-type: none"> Use weaving and plaiting to create a pattern. Join materials using glue and/or a stitch. Use dip dye techniques. <p>Digital Media</p> <ul style="list-style-type: none"> Use a wide range of tools to create different textures, lines, tones, colours and shapes. 	<p>Painting</p> <ul style="list-style-type: none"> Use a number of brush techniques using thick and thin brushes to produce shapes, textures, patterns and lines. Mix colours effectively. Use watercolour paint to produce washes for backgrounds then add detail. Experiment with creating mood with colour. <p>Collage</p> <ul style="list-style-type: none"> Select and arrange materials for a striking effect. Ensure work is precise. Use coiling, overlapping, tessellation, mosaic and montage. <p>Sculpture</p> <ul style="list-style-type: none"> Create and combine shapes to create recognisable forms (e.g. shapes made from nets or solid materials). Include texture that conveys feelings, expression or movement. Use clay and other mouldable materials. Add materials to provide interesting detail. <p>Drawing</p> <ul style="list-style-type: none"> Use different harnesses of pencils to show line, tone and texture. Annotate sketches to explain and elaborate ideas. Sketch lightly (no need to use a rubber to correct mistakes). Use shading to show light and shadow. Use hatching and cross hatching to show tone and texture. <p>Print</p> <ul style="list-style-type: none"> Use layers of two or more colours. Replicate patterns observed in natural or built environments. Make printing blocks (e.g. from coiled string glued to a block). Make precise repeating patterns. <p>Textiles</p> <ul style="list-style-type: none"> Shape and stitch materials. Use basic cross stitch and back stitch. Colour fabric. Create weavings. Quilt, pad and gather fabric. <p>Digital Media</p> <ul style="list-style-type: none"> Create images, video and sound recordings and explain why they were created. 	<p>Painting</p> <ul style="list-style-type: none"> Sketch (lightly) before painting to combine line and colour. Create a colour palette based upon colours observed in the natural or built world. Use the qualities of watercolour and acrylic paints to create visually interesting pieces. Combine colours, tones and tints to enhance the mood of a piece. Use brush techniques and the qualities of paint to create texture. Develop a personal style of painting, drawing upon ideas from other artists. <p>Collage</p> <ul style="list-style-type: none"> Mix textures (rough and smooth, plain and patterned). Combine visual and tactile qualities. Use ceramic mosaic materials and techniques. <p>Sculpture</p> <ul style="list-style-type: none"> Show life-like qualities and real-life proportions or, if more abstract, provoke different interpretations. Use tools to carve and add shapes, texture and pattern. Combine visual and tactile qualities. Use frameworks (such as wire or moulds) to provide stability and form. <p>Drawing</p> <ul style="list-style-type: none"> Use a variety of techniques to add interesting effects (e.g. reflections, shadows, direction of sunlight). Use a choice of techniques to depict movement, perspective, shadows and reflection. Choose a style of drawing suitable for the work (e.g. realistic or impressionistic). Use lines to represent movement. <p>Print</p> <ul style="list-style-type: none"> Build up layers of colours. Create an accurate pattern showing fine detail. Use a range of visual elements to reflect the purpose of the work. <p>Textiles</p> <ul style="list-style-type: none"> Show precision in techniques. Choose from a range of stitching techniques. Combine previously learned techniques to create pieces. <p>Digital media</p> <ul style="list-style-type: none"> Enhance digital media by editing (including sound, video, animation, still images and installations).
<p>Take inspiration from the greats This concept involves learning from both the artistic process and techniques of great artists and artisans throughout history.</p>	<ul style="list-style-type: none"> Talk about features of their own and others work, recognising the differences between them and the strengths of others. 	<ul style="list-style-type: none"> Describe the work of notable artists, artisans and designers. Use some of the ideas of artists studied to create pieces. 	<ul style="list-style-type: none"> Replicate some of the techniques used by notable artists, artisans and designers. Create original pieces that are influenced by studies of others. 	<ul style="list-style-type: none"> Give details about the style of some notable artists, artisans and designers. Show how the work of those studied was influential in both society and to other artists. Create original pieces that show a range of influences and styles.
