

Promoting British Values Policy

INTENT

Wild Bank aims to foster the development of young people by meeting their needs and giving them the confidence and competence to lead independent, purposeful and enjoyable lives. We are committed to developing a community where pupils, staff and parents/carers learn and work together.

The DfE have reinforced the need *“to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.”*

IMPLEMENTATION

Through the curriculum, extra-curricular activities, teaching and learning we will promote British values. By doing so, we will ensure that all learners understand the values that have traditionally underpinned British society. The teaching of these values will promote cohesiveness within our school and community. We will prepare pupils for life in Britain, where the population has an increasingly rich diversity of backgrounds, origins, beliefs and cultures by promoting the values on which our society has been built. By teaching these values we will help our pupils to become good citizens.

Our weekly assemblies create engaging and exciting opportunities for children to learn about our world, develop independence, resilience, respect with meaningful links to British Values.

At Wild Bank and in line with the individual pupils' capacity to understand the concepts and ideas – we aim to:
