

# Key Stage 2 Data 2026

## Attainment

The table below shows the percentage of children in **Year 6** achieving the expected standard in 2026. The number of pupils in the cohort was **22**.

| Subject                          | School % achieving expected standard                            | School % achieving greater depth                                | National % achieving expected standard in 2026 | National % achieving greater depth standard in 2026 |

The reading, writing and mathematics combined measure consisted of children achieving the 100+ scaled score in mathematics and reading and being assessed at the expected standard for writing.

## Average scaled score in 2026

|                                             | School                                                 | Local Authority (2025) |

To achieve the expected standard, children needed to reach a scaled score of 100 in the reading, mathematics and GPS tests and a scaled score of 110+ to achieve the greater depth standard.
